

Earning Opportunities for

FARMING FAMILIES

FREE REGISTRATION

FOR NEW RURAL SKILLS RESOURCE TO INCREASE YOUR EARNINGS

In partnership with the Pembrokeshire Machinery Ring (PMR), PLANED is setting up a Rural Skills Resource (RSR) to enable you and farming families across Pembrokeshire to increase your earning opportunities.

We want to invite you to take part and join the RSR by registering the skills that you want to offer and advertise to the community at a rate to be negotiated between you and the customer. PMR will be administering this RSR which will be launched at the County Show. **This is a pilot scheme and there is no charge for registering your skills at this stage.**

Research, carried out by PLANED has shown that there is considerable demand for paid help for the type of skills which are taken for granted among the farming community, e.g. hedge trimming, mole/vermin problems, garden maintenance as well as general skills e.g. shopping, book keeping and accounts. (See registration form for more ideas).

This is your opportunity to increase your earnings, but “you have to be in it to benefit”

For a registration form or further information please contact Sarah Diment 01834 862107 / sarahd@planed.org.uk or Liz Thomas 01834 862113 / lizt@planed.org.uk alternatively, download it from our website <http://www.planed.org.uk/homemain/documents/RSRRegForm.pdf> and post to PLANED (address on website)
