Building Resilience In Catchments

A collaborative research project working with 30 farms to improve water, nutrient and habitat management in three Pembrokeshire rivers

How?

- Providing free expert advice from ADAS, with Project Officer support
- Delivering farm resilience plans
- Helping secure funding for targeted nutrient soil mapping, precision farming and constructed wetlands

Also

Using anonymised data to develop a nutrient-based trading scheme – a mechanism to pay land managers to deliver environmental benefits

Why?

Taking action to improve farm resilience provides economic benefit to farmers, cleaner water and investment opportunity in Pembrokeshire

How do I find out more?

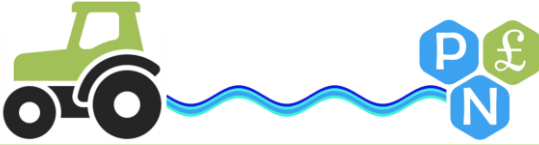

If you farm or manage land in **Pelcomb Brook**, **Llys y Fran** or **Winterton Marsh** catchments and want to find out more, please contact Emma Taylor, BRICs project officer on 01834 860965 or emmat@planed.org.uk

BRICs was developed and is funded through the Sustainable Management Scheme which is part of the Welsh Government Rural Communities – Rural Development Programme 2014-20

BRICs

Building Resilience In Catchments

Prosiect ymchwil cydweithredol. Yn gweithio gyda 30 o ffermydd i wella rheolaeth dŵr, maethynnau a chynefinoedd mewn tri dalgylch afon yn Sir Benfro

Sut?

- Darparu cyngor arbenigol am ddim gan ADAS, gyda chymorth gan Swyddogion Prosiect
- Darparu cynlluniau cadernid fferm
- Helpu i sicrhau cyllid ar gyfer mapio pridd maethlon, ffermio manwl a gwlyptiroedd a adeiladwyd yn bwrpasol

Hefyd

Defnyddio data dienw i ddatblygu cynllun masnachu maethynnau – mecanwaith ar gyfer talu rheolwyr tir i ddarparu buddion amgylcheddol

Pam?

Mae gweithredu i wella cadernid ffermydd yn arwain at fanteision economaidd i ffermwyr, dŵr glanach a chyfleoedd i fuddsoddi yn Sir Benfro

Sut allaf ddod o hyd i fwy o wybodaeth?

Os ydych yn ffermwr neu'n berchen ar dir yn un o'r is-dalgylchoedd o **Pelcomb Brook**, **Llys y Fran** neu **Winterton Marsh** a'ch bod yn awyddus i gael mwy o wybodaeth, cysylltwch ag Emma Taylor, Swyddog Prosiect BRICs ar 01834 860965 neu emmat@planed.org.uk

Datblygwyd ac ariennir BRICs drwy'r Cynllun Rheoli Cynaliadwy sy'n rhan o Gymunedau Gwledig Llywodraeth Cymru – Rhaglen Datblygu Gwledig 2014-2020
